Kathy Forzley:
Felting & Inspiration

Kathy Forzley will take you through her journey as a feltmaker and share colorful illustrations of sources of inspiration for her art. Color, texture, shape and line are a few of the many topics she will talk about with examples of them in her work. Kathy will discuss the process of wet felting and highlight some of the national and international felt artists who have influenced her work. She will also give you a glimpse into her plans for future projects.

Kathy is a contemporary fiber artist whose work includes wet felting, hand and machine embroidery, landscape art quilts and a variety of other textiles. Kathy's passion for artistic design combines rich textures, vibrant colors and found objects inspired by her love of nature and botanical themes. Her work includes wearable art, accessories, 3-D work and wall art.
