"A Family Tradition of Rug Weaving"

This is a Zoom & In-Person Meeting at

Portage United Church of Christ
2731 W. Milham Drive, Portage, MI

Visitors and Guests are welcome!

Lou Ann started helping her father with rug weaving as a child. The family hobby/business did custom rug weaving, using an 8 x 5 foot loom with a flying shuttle.
Lou went on to take weaving classes at Western Michigan University as part of a Fine Arts degree and she worked for graphic design companies in the Battle Creek/ Kalamazoo area for over forty years.

This program highlights Lou's family history of Mennonite weaving, honoring the work of over twenty family members over four generations.
This rug weaving tradition elevates the thrifty use of rag materials woven on two-harness looms using modern *and* timeless equipment, designs and fabrics.

Please join us for dinner with Lou at 5 pm at the Fieldstone Grill in Portage.
